**Meeting Etiquette:**

While most official A.A. Meetings discourage cross-talk, we do a bit of cross-talk and discussion during our meeting. It's never intended to discourage or 'call-out' anyone nor violate any of A.A.'s traditions. As we are a close and intimate group and have gotten to know each other over time, we share our experience strength and hope with each other as it relates to particular circumstances shared in meetings. If you ever feel uncomfortable, please do not hesitate to bring it to our attention.

\*Please take all trash out of the room with you and dispose in the campus provided receptacles.

\*Due to the surrounding working offices, please remember to keep conversations to a low volume.

**Parking:**

You may purchase a permit and park on the UCI campus in lot 16, as it's the closest.
