PIECE of MIND

Performances addressing
mental illness and its stigma

Wednesday, May 13, 2015 • 4:00 P.M.
Little Theatre • Humanities Hall
Reception follows

FREE | RSVP bit.ly/UCIPieceofMind2015
Reservations are required.

First inspired in 2013 by 32nd District of Congresswoman Grace Napolitano's dedication to increasing awareness of mental health issues, Department of Drama students will depict stories of community members affected by mental illness through performance art pieces.

A panel will reflect on the performances and discuss local resources.

PANELISTS

Beth Krom

Council Member, City of Irvine

Virginia Mann

Professor, UCI Cognitive Sciences department

Robert Moeller

Professor, UCI History department

Steve Pitman

President, National Alliance on Mental Illness Orange County
